

## AAHN Grants for Historical Research

*Submit your proposal today*

The AAHN is currently accepting research grant proposals for its H-15 Grant, designed for faculty members and independent researchers, its H-21 Grant, designed for proposals outlining a historical new research study, and its H-31 Grant, designed to encourage and support graduate training and historical research at the Masters and Doctoral levels. *Grant materials must be submitted to [grants@aahn.org](mailto:grants@aahn.org) by April 1.* Proposals are blindly reviewed by the AAHN Research Review Committee. Please visit [www.aahn.org/research-grants](http://www.aahn.org/research-grants) for full details.

### H-15 Grant

The H-15 Grant is awarded to faculty members or independent researchers for proposals outlining a historical research study. The grant provides \$3,000 in funding. For faculty members affiliated with an academic institution, indirect costs for Facilities and Administration (F & A) of 8% are also available. Applicants must be AAHN members and hold the doctorate. It is expected that the research and new materials produced by the grant recipient will help ensure the growth of scholarly work focused on the history of nursing.

New!

### H-21 Grant

The H-21 Grant is awarded to senior scholars (faculty members or independent researchers) for proposals outlining a new historical research study. The grant provides \$3,000 in funding. For faculty members affiliated with an academic institution, indirect costs for Facilities and Administration (F & A) of 8% are also available. Applicants must be AAHN members, hold a research doctorate, and be the author of a published book in the field of history that is based on original research. It is expected that the research and new materials produced by the grant recipient will help ensure the growth of scholarly work focused on the history of nursing.

### H-31 Grant

The H-31 Grant is designed to encourage and support graduate training and historical research at the Masters and Doctoral levels. The grant awards \$2,000. Proposals will focus on a significant question in the history of nursing. Students applying for this grant must be enrolled in an accredited Masters or Doctoral program and a member of the AAHN. The research advisor will be doctorally prepared with scholarly activity in the field of nursing and health care history, with prior experience in guidance of research training.

Support for the AAHN grants program comes from generous donations from AAHN members and through the annual live and silent auctions held at the Annual AAHN Nursing & Healthcare History Conference. Information about donating and the annual conference may be found on the AAHN's website, [www.aahn.org](http://www.aahn.org).
